and for approval of Delivery Services Implementation Plan
for Residential Customers.

STATUS: An Order was entered by the Commission on December 11,

REHEARING REQUEST: A petition for rehearing was filed by Ameren on January 11,

January 24, 2002 bench session, and was held until January
29, 2002.

RECOMMENDATION: None. The deadline for action is January 31, 2002.

In this proceeding, Ameren proposed revisions to its delivery services tariffs. Among other things, delivery services will be made available to residential customers. In its filing, Ameren also sought approval of proposed "Rider SG" which was intended to apply to the provision of standby delivery service to self-generation customers. As noted above, an Order in this matter was entered on December 11, 2001.

As indicated in a memorandum dated January 14, 2002, Ameren filed a rehearing petition in which Ameren takes issue with the Commission's rejection of Ameren's proposed Rider SG. Ameren asks the Commission to ". . . modify the Order to price standby delivery services for SG customers in the manner proposed by the Ameren Companies." (Rehearing petition at 6)

The deadline for action is January 31, 2002.
